

1. Cost estimation support service

Free of charge

The offer includes:

- A 2-hour consultation with an expert on cost estimation
- Analysis of roofing or facade works carried out in Belgium
- Rates provided in euros (€)

Offer terms:

The consultation will be conducted remotely via Google Meet or another communication platform. The meeting date will be scheduled after receipt of complete documentation along with questions, and following their review by the expert. The offer is one-time only.

2. Administrative support

-30%

Offer terms:

- Access to administrative support services related to business operations in Poland, Belgium, France, Germany, the Netherlands, and Switzerland

Offer terms:

The discount applies to a single order covering one selected service provided by Legal Building. To qualify for the discount, the order must have a minimum net value of 300.00 EUR. A complete list of available services will be provided directly by Legal Building upon request. The ordered service will be carried out after the required information is provided to the expert. The discount is granted on a one-time basis.

3. Recruitment of a construction worker

-30%

Offer terms:

- Preparation of a job offer based on the provided requirements
- Recruitment of a candidate for one selected position

Offer terms:

A 30% discount applies to a one-time recruitment service for one employee. The service includes gathering information on job expectations and requirements, candidate selection, and presentation of the best-matched profiles.

The offer includes a one-month guarantee – if the employment is terminated within this period (either by the candidate or the employer), the provider will restart the recruitment process free of charge.
